Subject: RE: Possible Agenda Item For CAP Meeting In Nov.

I agree this is an important topic that needs discussion. We should add it to the agenda, along with the National Standards of Practice topic.

Subject: Possible Agenda Item For CAP Meeting In Nov.

Hi Diponkar,
Mr. George Tilley CEO of Eastern Health and Dr Bob Williams,VP Quality,Diagnostic and Medical Services have ask me if we could discuss the issue of national standards for Immunohistochemistry at the Canadian Ass of Pathologists.Maybe we could put it on the agenda for the Nov meeting as an item we can bring to the Federal Minister of Health.This could be a part of a much larger issue such as National Standards of Practice For Laboratory Medicine in Canada.I would appreciate your thoughts,
Regards
Don
