

Western Regional Integrated Health Authority

October 24, 2005

Mr. Barry Dyer
Department of Pathology
Health Sciences Centre
St. John's
Newfoundland
A1B 3V6

Dear Barry,

As per your request, please find enclosed the ERPR cases for the year 1997 as requested. I have included a list of patients as per previous year.

You will note that there are several cases with no known ER status and 2 with ductal carcinoma in situ. Will these be done as well?

I trust this is satisfactory.

Thanks,

Dr. Paul Neil, Director of Pathology and Laboratory Medicine
