Subject: RE: ERPR and her-2-neu for Corner Brook Newfoundland

Hi Isabelle,

When you receive these cases from Dr. Paul Neil in Newfoundland please bring to me, before taking to main lab to get a number.

Maria

Hi Dr. Neil,

I apologize for not getting back to you sooner. You can go ahead and send the cases to the address below. The cases will be entered as consults and reported as such.

Dr. Frances O'Malley
Pathology and Laboratory Medicine, sixth floor suite 6-500
Mount Sinai Hospital
600 University Avenue
Toronto, Ontario, Canada, M5G 1X5

Thanks,
Maria

Subject: FW: ERPR and her-2-neu for Corner Brook Newfoundland

Ms. Mendes,

Please advise if you can handle these cases. I need to send as we now have a few new cases pending.

Thanks

Subject: ERPR and her-2-neu for Corner Brook Newfoundland

Ms. Mendes,

As per our conversation, we would appreciate ERPR and her 2 neu immunohistochemistry on our breast tissue cases from this hospital. As you are aware, Dr. Cook in St. John's had been doing these for us, but has suspended this temporarily. As you will be doing his, we need to send you ours as well.

In 2004, we had approximately 40 cases. We anticipate that 2005 will be no different, however our oncologists want her 2 neu on all cases now, so we anticipate the same number of these.

I would appreciate more information on how to submit these cases as well as costs, as we have to budget for the amount. I assume the best mode on transport would be courier.

If there is any more information you require, please email or call.

Thank you.

Paul Neil M.D.
