Sherry, As we just discussed, Can you provide the following information on

- Patho who reviewed the original report
- Was the patient retested? What date was the retest sample sent to MS
- Block Number sent for retesting
- Date Patient notified us requesting retesting...or date family notified us
- Were results communicated ...I know the answer, but NLCHI does not
- Retest Results.

Please send this information directly to Reza at NLCHI . Thank you
