Hi,

9 new results have come back today

5 are on previously identified deceased patients whose family have not called for results. They will be notified as per our proposed plan.

4 are back on deceased patients whose families have called:

[REDACTED] MCP# [REDACTED]
 Daughter called about retesting
 Patient of Dr. [REDACTED] but Dr. Joy McCarthy saw her on her last admission when she passed away
 Never originally tested, now 60/80

[REDACTED] MCP# [REDACTED]
 Daughter called about her retesting
 Patient of Dr. Laing
 Originally 30/0 in 1999; now 70/0

[REDACTED] MCP# [REDACTED]
 Patient of Dr. Laing
 Husband called
 Originally 25/1-5 in 2000; now 95/30

[REDACTED] MCP# [REDACTED]
 N/N in 2000; 0/0 now
Nancy will contact her family today

I'll do up a better listing for you all later today, but I wanted to get the information out asap. Sharon, will you pass this on to the oncologists please?

Thanks, Heather
