Dear Ms. Pilgrim:

This letter is in follow-up to the meeting on December 20, 2007 between the Office of the Task Force on Adverse Health Events, Eastern Health and the Centre for Health Information. The following table includes a list of living breast cancer patients whose ER scores changed but the Centre is not able to confirm if any change in treatment was recommended. If this data is available please provide it the Centre so that we can update our records.
