Hi Again
Just spoke to Joan - - It is her understanding that the joint release would be at the Executive level along with Mr. Thompson
Trust this clarifies the concern.

Hi There
The Board Chair certainly NOT - she will is leaving for CHA in Vancouver today.

Would Diane or Deborah know anything about this? It was certainly the intent that there would be a "JOINT" release!

I guess failing the Board Chair and the CEO yourself or Oscar - I don't think we would want to bring the Vice Chair into this at this at this point - Frank Davis has not been involved in the discussions today - but then again was the intent "BOARD" representation or "Executive" representation that is expected~~~~

Let me know the outcome!!!!!

Joyce, I was speaking with Robert Thompson today and Thursday of this week looks like the day for this release. There was to be some joint participation in this....did Louise happen to mention who from Eastern Health would be participating? Is it the Board Chair? Please advise. Pat
