Joyce,

This is not yet completed. Pat was waiting on feedback from Kara Laing on the report. Kara was out of town and received a copy yesterday but I'm not sure if she got back to Pat with her comments.

Also, at the Coordinating Group - COI meeting on Monday, individuals were asked to re-read the report and provide their comments back to Pat as she would then incorporate them all into a single formal response to Robert.

I'll follow-up with Pat and we will provide you with a copy of the response when it is completed.
