Subject: ER Testing - Communications

Hello All:

This is just a note to let you know that Dr. Reza Alaghehbandan (NLCHI) may be contacting you in the next few days to discuss communication activities in your region with respect to reporting results for ER/PR testing. Assisting Dr. Alaghehbandan in these discussions will be Heather Predham from Eastern Health. Thank you again for your continue support as we move towards completing our work for the Ministry of Health.
