Good morning,

Further to your conversation earlier this week with Patricia Pilgrim, in which she indicated she would have listing of involved deceased patient results for your respective region/area forwarded to you, this is to advise Don McDonald with the Newfoundland and Labrador Centre for Health Information requires a direct request from you for these listings.

Please forward to Don an E-mail requesting the listing of involved deceased patient

results for your respective region\area. Don's E-mail address is donm@nlchi.nl.ca

Upon receipt of your request, Don will forward the listing directly to you.

Thank-you!

Dianne

PS - Sherry, Don has received your request.
