Subject: Update on ER and Pr Receptors.

Hi Maria ,

As discussed , I would appreciate any additional results that can be forwarded to me as well any information on the number of blocks cut and slides stained etc.

Regards

Dr.Cook

Oct 31, 2005 - spoke to Maria regarding the urgency
4:35 PM of getting results from Mount Sinai

Nov 1, 2005 - spoke to Dr Paul Neud
9:15 AM regarding the issuing of written report
from Mount Sinai by me and how this
will be directed to the Lab Director
