

EASTERN HEALTH

MEDICAL STAFF ORGANIZATION – FUTURE: DECENTRALIZED MODEL

MAC / MEDICAL STAFF ORGANIZATION	LOCATION
1) 3 – Local Areas MAC's	<ul style="list-style-type: none"> ▪ Peninsulas ▪ Avalon ▪ St. John's
2) 3 – Medical Staff Organizations	<ul style="list-style-type: none"> ▪ Peninsulas ▪ Avalon ▪ St. John's
3) 1 – Regional-wide MAC	<ul style="list-style-type: none"> ▪ Eastern Health Medical Advisory Committee (EHMAC)
4) 2 physician representatives from regional-wide MAC to attend Board meetings	

Decision Points

- 1) Number of MAC's - Peninsulas
- 2) Number of MAC's – St. John's
- 3) Creation of MAC for Eastern Health
- 4) Number of Medical Staff Associations – Peninsulas
- 5) Creation of Medical Staff Organization for Eastern Health

Composition of Regional-Wide MAC (EHMAC)

- 6) 3 Chairs of local area MAC's
- 7) 3 Presidents of Medical Staff Organization
- 8) CEO
- 9) VP, Quality, Diagnostic and Medical Services
- 10) COO's with acute/long-term care responsibility
- 11) Medical School representation
- 12) Independent Chair

EASTERN HEALTH**MEDICAL STAFF ORGANIZATION – FUTURE: CENTRALIZED MODEL**

- 1) Clinical Programs – regional-wide with clinical (medical) co-leaders
- 2) Regional-wide Medical Staff Organization
- 3) One MAC for Eastern Health

Composition of EHMAL

- 1) Clinical Chiefs \pm Discipline Chairs
- 2) President and Vice President, Medical Staff Organization
- 3) CEO
- 4) VP, Quality, Diagnostic and Medical Services
- 5) COO's with acute care/long-term care responsibility
- 6) Medical School representation
- 7) Independent Chair

Role of subcommittee structure similar to Decentralized Model with some fine tuning.
