Hi Dr. Williams,

This is the e-mail that I sent Dr. Mullen at Mount Sinai. I have unattached the list of names.

If you need anything else, let me know

Heather

Hi,

Upon Dr. Cook's and Dr. Williams' request, I have reviewed your list and highlighted in yellow all those individuals that are now deceased.

Although, we do intend to have these individuals retested, it may be helpful at this time to be able to leave those specimens to a later date.

If you have any questions, please do not hesitate to contact me

Thanks

Heather Predham
