Hi Nancy,

Would you please let me know of the total we have received (864) how many have we stained and how many have we reported.

Thanks,

Maria

Hi Ken

Dr. Williams has asked me to follow up with you on the status of the ER's and PR's in the review process. I understand there will be a push on this after Christmas with a view to completion at the end of January 2006. I am assuming this target is still in place? I would appreciate your comments.

Regards,

Don
