

~~30 Jan 06~~TO : ~~ER/PR file~~RE : TC with Dr. Bob Williams

- ER/PR results are available
  - neg pts being informed today
  - Heather will call c neg list
  - need to call
  - panel will be done on those who are cancer clinic pts
  - others will have to provide further clinical info to be reviewed by panel.
  - 777-6126 office
  - 570-9703 pager
- > Heather's contact info

TC = Heather

- will define what required clinical info is
- 3 columns (DCIS is description of tumor, IC = internal control)
- cancer clinic will do notifications of patients referred to them.
