Subject: RE: Request from IM&T

I am sure that there is nothing related to ER/PR on my computer but certainly there is stuff related to other patients. As far as confidentiality is concerned, I am not sure about how it would impact on IM&T's efforts. Joy has asked CMPA, I will wait for reply from CMPA before deciding the appropriate time.

Thank you.

Zulfiqar

Hi Michelle,

In order for IM&T to begin the process of electronically copying information from your computer, they require the following information

Michelle, this information is required for yourself, Kara, Sharon, Dolores, Chris, Trudy, Joyce McDonald, Patsy Kelly, Dr. Joy McCarthy, Dr. Muhammad Zulfiqar and Dr. Jehan Siddiqui.

By copy of this E-mail I am asking these individuals to forward their replies to the above questions to you a.s.a.p. so that you may coordinate and respond back to me. Thank-you!

Forwarding on behalf of Patricia Pilgrim, Chief Operating Officer, Eastern Health

Further to my E-mail of July 19th, 2007, IM&T personnel will be electronically copying information on your computer system. To minimize interruptions to your daily activities, IM&T personnel will attempt to do this as unobtrusively as possible using background processes, however in some cases they may need to visit your desktop. This will not interfere with your access or use of this information. However, the purpose is to ensure that at a particular date in time your system contains this information. We can then demonstrate that any changes were made subsequent to the date.

If you have need for further clarification, please contact Kevin Durdle with IM&T at 709-466-6326.
