

CURRICULUM VITAE: NEBOJSA DENIC**BIOGRAPHICAL INFORMATION:**

| | |
|-------------------|---|
| Name: | Nebojsa (Nash) Denic |
| Office address | St. Clare's Mercy Hospital, Department of Pathology Eastern Health, St. John's, Newfoundland A1C 5B8 |
| Office telephone: | (709) 777-5495 (voice) (709) 777-5827 (FAX) |
| E mail: | Nebojsa.Denic@Eastenhealth.ca |
| Home address: | [REDACTED] |
| (mailing address) | St. John's, Newfoundland, A1A 4N2 |
| Home telephone: | [REDACTED] |
| Date of birth: | [REDACTED] |
| Status in Canada | Canadian Citizen |

EDUCATION

- Graduated from Faculty of Medicine, University of Belgrade, Yugoslavia, 1982
- Rotating Medical Internship, Belgrade, Yugoslavia, 1983
- Licence to practice medicine, Yugoslavia, 1983

- Master of Science in Neurobiology, University of Belgrade, Yugoslavia, 1985
- Residency in Forensic Medicine at the Institute of Forensic Medicine, University of Belgrade (1984-1988); Certified
- PhD in Forensic Medicine from the University of Belgrade, Yugoslavia, 1991
- Training in Forensic Medicine, 1998 at The OCME, Baltimore, MD
- Residency Training in Anatomical Pathology, Memorial University, NF (1995-1999)
- Certified in Anatomical Pathology by The Royal College of Physician and Surgeons of Canada, 1999
- Medical Council of Canada Certificate, December 1999, # 85999
- Licence to practice pathology by Newfoundland Medical Board, since 1999 (#F-08195)

WORK EXPERIENCE

1999 - present

- Medical Examiner for The Province of Newfoundland and Labrador, Office of Chief Medical Examiner, St. John's, NL
- Staff pathologist at The St. Clare's Mercy Hospital, Eastern Health, St. John's, NL

2000 - present

- Clinical Assistant Professor of Pathology, Faculty of Medicine, Memorial University, Newfoundland

1995-1999

- Resident in Anatomical Pathology, Health Sciences Centre, Faculty of Medicine, Memorial University, Newfoundland

1992 -1995

- Research Fellow and Consultant at The Hospital For Sick Children; Ontario Pediatric Forensic Pathology Unit, Toronto, Ontario, Canada

1993 -1995

- Associate Professor - Institute for Forensic Medicine at the Medical Faculty of Belgrade, Yugoslavia

1984-1992

- Assistant Professor - Institute for Forensic Medicine at the Medical Faculty of Belgrade; Kragujevac and Sarajevo, Yugoslavia

1984 -1995

- Medical Faculty, University of Belgrade, Yugoslavia; Institute for Forensic Medicine, Belgrade, Yugoslavia

HONOURS

- Letter of appreciation by the Yugoslav Government for taking part in identification after mine disaster in Dobmja, Zenica, Bosnia and Herzegovina, 1990
- Letter of appreciation by the Serbian Physician Association, 1990
- Scholarship by Science Community of Yugoslavia for Postgraduate Studies, 1982

ADMINISTRATIVE POSITIONS

- Clinical Chief of Laboratory Medicine, Eastern Health, St. John's, NL, 2006 – present
- Member of The Medical Advisory Committee 2004/5 - present
- Member of The Medical and Diagnostic Services Safety and Quality Committee 2007-present
- Chair of the Search Committee 2006- present.
- Member of Point of Care Committee, 2006 – present
- Co-Chair of Quality Management Program Committee for Pathology Department 2007- present
- Member of The Medical Laboratory Science Advisory Committee at CONA 2006 – present
- Member of RPAC Committee 2006- present

- President of The Medical Staff Association, Health Care Corporation, St. John's, NL, 2004/5
- President of The Newfoundland Association of Pathologist, 2004-2007
- Member of The Board of Trustees (ex officio), 2004/5
- Member of The Credential Committee, 2004/5
- Vice President of The Medical Staff Association, Health Care Corporation, St. John's, NL, 2003
- Secretary/Treasurer The Medical Staff Association, Health Care Corporation, St. John's, NL, 2002

MEMBERSHIPS

- American Academy of Forensic Sciences since 1992
- The Canadian Association of Pathologists since 1996
- Fellow of The Royal College of Physicians and Surgeons of Canada since 1999
- Newfoundland and Labrador Medical Association since 1999

COURT EXPERIENCE:

Qualified as an expert witness in Forensic Pathology by the Provincial Courts of Newfoundland and Provincial and Supreme Courts of former Yugoslavia.

MEETINGS AND CONGRESSES

- American Academy of Forensic Sciences, San Antonio, TX, 2007
- 57th Annual Meeting of the Canadian Association of Pathologists, St. John's ,NL 2006.
- American Academy of Forensic Sciences, New Orleans, LA, 2005
- American Academy of Forensic Sciences, Atlanta, GA, 2002
- American Academy of Forensic Sciences, Reno, NV, 2000
- American Academy of Forensic Sciences, New York, NY, 1997
- American Academy of Forensic Sciences, Seattle, WA, 1995
- American Academy of Forensic Sciences, San Antonio, TX, 1994
- American Academy of Forensic Sciences, Boston, MA, 1993
- 3rd European Symposium of Suicidal Behaviour and Risk Factors, Liege, 1988

- XIV th Congress of the International Academy for Legal Medicine, and Social Medicine Bologna, 1990
- 11th World Congress of International Association for Accident and Traffic Medicine, Dubrovnik, 1988
- XIII th Congress of the International Academy for Legal Medicine and Social Medicine, Budapest, 1986
- Congress of Neurophysiology, Strasburg,1984

PUBLICATIONS AND PRESENTATIONS

- 56 Publications and Presentations
- Three (3) Monographs.

COURSES AND WORKSHOPS

- Practical Homicide Investigation: Tactics, Procedures, and Forensic Techniques, San Antonio, TX, February 2007
- Pathology of Diffuse Non-Neoplastic Lung Disease, CAP, St. John's NL, 2006

-Approach to the Diagnosis of Non-Hodgkin Lymphoma (NHL) in 2006- Case Oriented Study, CAP, St. John's NL, 2006

- Evidence Based Forensic Science: Interpreting Postmortem Toxicology in the Light of Pathologic Findings, New Orleans, February 2005.

- The Disaster Mortuary Operational Response Team (DMORT) Model for Managing Mass Fatality Incidents (MFIs), American Academy of Forensic Sciences, Atlanta, GA, February 2002.

- Neuropathology of Head and Neck Injuries in Young Children, American Academy of Forensic Sciences, Reno, NV, February,2000.

- Explore the Basics of Bloodstain Pattern Interpretation, American Academy of Forensic Sciences, Reno, NV, February, 2000.

- Forensic Pathology Death Investigation, Memorial University of Newfoundland, March 23-24,1996.

- "Forensic Radiology: Practical Considerations: The Medical Examiner's Perspective, San Antonio, Texas, February 1994.

- "How To Be A Better Expert Witness", American Academy of Forensic Sciences, Boston, MA, February, 1993.
