Hi,

I'm going to look for these 2 blocks today (no RS# given yet). I'll cut them on Monday and give them to immunology on Tuesday, if that's OK with you.

Nancy

Subject: URGENT REQUEST FOR ER AND PR RESULT

Hi Nancy

We have a request for an urgent result on [REDACTED] a Grand Falls case. There are two blocks sent up on her as part of the ER/PR review. They are S-1657-02 and S-2824-00. It would be appreciated if these could be processed and interpreted as an urgent case.

Thanks,
Dr. Cook
