Hi Dr Mullen,  
Could you follow up and comment on [REDACTED] (03:SS9561) [REDACTED] this case was sent up as a consultation in mid August,2005 and reported as ER 1-5%,PR<1% on block 2E,report SP-05-12331.On the retro master list,she is reported as ER 20%,PR 2% on block 2F.She has been told that she has not converted on repeat testing based on the results of SP-05-12331,Thanks.  
Regards  
Dr.Cook
