Dr. M. Khalifa  
Department of Pathology  
Health Sciences Centre  
St. John's, Newfoundland  
A1B 3V6

Dear Dr. Khalifa:

RE: [REDACTED], MCP [REDACTED]  
S01519/98

I would appreciate it if the usual estrogen and progesterone receptor studies on the above lady's left breast lesion could be performed.

Thank you.

Sincerely,

Dr. Kwaku Dankwa  
Pathologist
