Hi Dr. Laing:

I will finish the minutes on Tuesday. Usually wait to see if any changes in letters before I send you minutes to sign anyway.

13 Letters enclosed – 20 Patients Paneled

No Letters on the following:

Letter deferred - Dr. Laing to check status of [redacted] by  
Calling Grand Falls to see if patient is okay before she recommends tamoxifen.

Patient originally ER negative. Report said occasionally positive which was  
incorrectly interpreted by clinician as "positive".

Deceased

to be reviewed again in 2 weeks – Lady originally paneled October 27<sup>th</sup>

Contacted Sharon Dominic and she confirmed that [redacted] has been  
Deceased for the past [redacted] years.

Deferred until slides come back.

Patient positive from beginning and results missed by clinician.  
Heather and Dr. Laing to follow up.
