To: All St. John's General Surgeons

Dear Doctor,

RE: Hormone Receptor Analysis in Breast Cancer Patients

As a follow up to my recent letter regarding inaccuracies in hormone receptor reporting, a panel has been established to review all these cases. Any recommendations from the tumour panel regarding changes in the treatment strategy will be forwarded to your office as soon as it is available.

Yours Sincerely,

A handwritten signature in black ink, appearing to read "A. Felix".

A. Felix M.D.
